## Street Parade Theme- winter in the Avon Valley and the 50th year

*It's the big 5-0 for the Avon Descent this year and we hope to mark the occasion with a special parade that will last long in the memory.*

*We also want to celebrate our wonderful community, our heritage and our beautiful surroundings so we have themed it around the seasons - so winter or it will be Djilba the Aboriginal season that is a transitional time of the year, with some very cold and clear days combining with warmer, rainy and windy days mixing with the occasional sunny day or two.*

*It's a time where the yellow flowers are starting to burst through and the 'magpies' are swooping!! So we're thinking gold for 50th year - ice themed - rivers - over all winter wonderland .*

## Street Parade Rules
