Shire of Northam

2018/19 Budget

2018-2019 Information Sheet

2018-2019 Budget Overview

At the beginning of each financial year a comprehensive budget setting process is undertaken, which attempts to match spending plans for the year to the total of all revenue sources of funding for that year.

The 2018-2019 budget has been based on an annual expenditure of \$43,385,395. This includes amounts received in the form of rates from the owners of properties within the Shire of Northam.

Key Projects

This year the Shire of Northam has a budget capital expenditure of \$21,224,048. Key infrastructure developments include:

\$5,711,984	Roads capital works of \$4,058,331, additional drainage capital expenditure of \$1,793,632 (\$1,031,882 funded WANDRRA) and capital expenditure of \$337,861 for Council's footpath network.
\$403,000	Bilya Koort Boodja Centre which is currently nearing completion and has an allocation of \$403,000, it is expected to be completed August 2018. Grants received for the project include \$2.1M from the Federal Government's National Stronger Regions Fund, Lotterywest \$2M and \$300,000 from the Wheatbelt Development Commission.
\$169,681	Waste Water Reuse Scheme Upgrade \$169,681 C/fwd from 2017/18.
\$235,814	Upgrades to the CCTV network currently underway, stage 1 Northam has an allocation of \$55,798, C/fwd, stage 2 Wundowie as an allocation of \$180,016, total expenditure \$235,814 which is funded from the State CCTV Strategy Fund. Additional funding has been secured for the stage 2 works in the 2019/20 financial year of \$77,150.
\$8,001,642	Swimming Pool Redevelopment \$8,001,642, grant funding of \$1.5m has been secured from the CSRFF, \$3.2m from the BBRF, the balance is funded through debt of \$2.4m and Council's Recreation and Facilities Reserve.
\$1,575,586	Northam Youth Space C/fwd, \$1,575,586, funded \$299,586 from reserve, \$500,000 from debt and \$776,586 from Lotterywest.
\$337,500	Administration Upgrade, \$337,500 C/fwd funded from the Administration Reserve
\$1,094,579	Plant Replacement Program net cost of \$1,094,579.
\$145,000	AVVVA Building Roof Replacement \$145,000, grant funding is being pursued of \$100,000 towards this project.
\$394,400	Building maintenance expenditure
\$572,000	Grass Valley BFB Building has an allocation of \$253k and Bakers Hill BFB Building has an allocation of \$319K, funded predominantly through ESL
\$105,000	Wundowie Basketball Courts resurfacing \$80,000 and an allocation of \$25,000 relating to the feasibility study aimed at creating a central hub at the Wundowie Pavilion.
\$50,000	Wundowie Family Space
\$141,995	Public Open Space Improvements
\$181,000	CBD Redevelopment, additional funding sought considerations list.

Your Council

The Shire of Northam is made up of four wards to ensure equal representation and enabling Council to work towards goals, strategies and outcomes that will benefit all residents and ratepayers.

Elections

Local government elections are held every two years with the next election due in October 2019.

Residents are automatically enrolled to vote if they are on the State Electoral Roll. If you are not on the State Electoral Roll and meet the eligibility criteria, or if you have changed address recently, you must complete an enrolment form.

Enrolment forms are available from the Shire of Northam Administration Centre, all Post Offices or the West Australian Electoral Commission (call WAEC on 13 63 06).

If you are not on the State or Commonwealth Electoral Roll, and own or occupy rateable property in the Shire of Northam you may be eligible to enrol to vote.

This applies if you were on the Shire of Northam last electoral roll prior to May 1997 and have owned or occupied property in the district continuously since this time. Please contact the Shire of Northam for details. Owners of land who were on the last roll of the

*dates to be confirmed

Electors' Meeting

The Council holds a general meeting of electors once every year after receiving the Auditor's Report. Attendance is open to residents who wish to see how the Council has performed.

Community Consultation

The Shire of Northam values the input of its community on a broad range of issues. Regular advertising on issues open to community feedback such as projects, plans and proposals is conducted in local newspapers, on the website and in the Shire's Administration Centre and Libraries.

Community Grants

Grants are allocated each year for not-for-profit community groups to conduct activities for the benefit of residents in the Shire of Northam. Applications for grants open in February and funding allocations are adopted with the budget.

Council has committed \$95,158 to community groups in the 2018-2019 Budget.

Corporate Publications

The Shire of Northam produces a range of publications that provide further information to ratepayers and residents. Copies are readily available through the Administration Centre or can be downloaded from the website.

Annual Report

The Annual Report provides information about Council's activities, achievements, performance, priorities and financial position.

Shire Newsletter

The Shire's newsletter for residents and ratepayers is produced monthly and published in the Avon Valley Advocate and Avon Valley Gazette, as well as placement on the Shire of Northam website. If you would like to be added to the Northam News email mailing list, please contact the Shire.

Integrated Planning

The Shire of Northam's integrated planning documents include the Strategic Community Plan which, as the principal planning document, provides the basis for Council and staff to plan, manage and deliver services that will

enhance the social, environmental and economic sustainability of our community. Identified objectives include:

- Provide efficient and effective corporate management
- Create an environment that provides for a caring and healthy community
- Provide services and processes to enhance public safety
- Provide active and passive recreation facilities and services
- Protect and promote the Shire's diverse culture and heritage
- Support business and investment opportunities
- Facilitate further development of regional tourism
- Provide and support an effective and efficient transportation network
- Enhance the health and integrity of the natural environment
- Management and protection of water resources.

Administration Centre

The Shire of Northam Administration Centre is located at 395 Fitzgerald Street, Northam and is open Monday to Friday, from 8.30am to 4.30pm.

The Shire is an agent for the Department of Transport and provides services related to vehicle, drivers and firearm licences. These services are available, from 8.30am to 4.00pm.

Bilya Koort Boodja

The Bilya Koort Boodja Centre for Nyoongar Culture and Environmental Knowledge is a regional tourist attraction that offers an interactive education experience recognising the rich Aboriginal and environmental presences in the Nyoongar Ballardong region.

The Centre is open 7 days a week (excluding some public holidays) between 9am and 4pm. Minson Avenue, Northam
T (08) 9622 2170

Community Events

Every year the Shire of Northam presents a wide-ranging calendar of events. While individual events and themes can change from year to year, the annual events that include the Avon River Festival, Movies by Twilight,

Dog's Day Out and Christmas Festival are designed to be enjoyed by all ages.

For an up to date calendar of events, please visit the Shire website.

Northam Visitor Centre

The Northam Visitor Centre develops and promotes the local tourism industry and attracts tourism visitation to the region. The Visitor Centre is your one-stop-shop for everything in and around the Shire of Northam and the Avon Valley.

Providing the latest and most up to date information and offering a range of local produce and souvenirs - drop into the Visitor Centre today.

How Council's Budget is Spent

Recreation Services

Recreation Services provide you with advice and assistance to arrange booking a host of Shire facilities such as the Recreation Centre, the Town and Lesser Halls as well as the playing fields at Jubilee and Bert Hawke Ovals.

Recreation services offer a wide range of sport and leisure programs and can help you plan your activity.

T (08) 9622 5153

Killara Adult Day Care & Cottage Respite Centre

Killara provides flexible, centre based day care, respite (including overnight) and social support services to frail aged and disabled (over the age of 18) persons and their carers. Killara aims to maintain the independence of individual clients through a personalised care plan and support for their carers.

2 Burgoyne Street, Northam
T (08) 9622 5765

Swimming Pools

The Northam and Wundowie Swimming Pools are open from November to March and include lap/leisure pools, infant and medium sized toddler pools and play equipment.

The pools host a number of swimming carnivals and events and offer vacation swimming lessons and water exercise programs.

Northam Swimming Pool
Mitchell Avenue, Northam
T (08) 9622 1535

Wundowie Swimming Pool
Wandoo Parade, Wundowie
T (08) 9573 6344

Town Planning

Planning plays a fundamental role in creating a high quality urban and rural environment by ensuring that development and land use proposals are appropriate for the area. All properties in the Shire of Northam are zoned under the Local Planning Scheme No 6.

The Scheme sets out the types of use and development allowed in the different zones and the requirements for planning approval. Before a decision is made to construct any type of building or change current land uses, please contact the Planning Department.

Building

In order to provide for the proper use and development of land and buildings, the Shire of Northam requires an application for a building permit prior to building work commencing on housing and associated structures.

Health Services

Environmental Health Officers (EHOs) undertake varied duties to safeguard the communities, including inspections of food premises and monitoring of the wastewater reuse schemes and landfill sites. The EHOs also process septic tank applications and investigate food poisoning and infectious disease notifications.

Ranger Services

The Rangers are responsible for the enforcement of State Government legislation and Council's Local Laws for controlling dogs, cats, off-road vehicles, litter and parking. In cases of emergency or when life is threatened, assistance may be given to the removal and relocation of wildlife.

T (08) 9622 7267 (emergency only after hours)

Engineering Services

Engineering Services is responsible for infrastructure asset management services which include construction and maintenance of over 700km of sealed and unsealed roads, footpaths, drainage, crossovers, bridges, roadside furniture, parks, sporting fields, reserves, verges, weed management, street trees as well as maintenance of Northam cemetery and airport. Engineering services also perform project and contract management of major projects, contracted services as well as overseeing sub-division development projects ensuring compliance with Shire requirements.

Emergency Services

Emergency Services is responsible for the development, implementation and coordination of emergency mitigation. This includes fire hazard reduction strategies for reserves, community safety education and awareness campaigns and coordination of the Bush Fire Brigade Services. For further information, contact the Community Emergency Services Manager.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are:

(a) Basis of Accounting

The budget has been prepared in accordance with applicable Australian Accounting Standards (as they apply to local government and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this budget are presented below and have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the budget has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 16 to this budget document.

(b) 2017/18 Actual Balances

Balances shown in this budget as 2017/18 Actual are as forecast at the time of budget preparation and are subject to final adjustments.

(c) Rounding Off Figures

All figures shown in this budget, other than a rate in the dollar, are rounded to the nearest dollar.

(d) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a Gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

(f) Superannuation

The Council contributes to a number of Superannuation Funds on behalf of employees.

All funds to which the Council contributes are defined contribution plans.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 7 - Net Current Assets.

(h) Trade and Other Receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(i) Inventories

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

(j) Fixed Assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Mandatory Requirement to Revalue Non-Current Assets

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at Fair Value became mandatory.

During the year ended 30 June 2013, the Shire commenced the process of adopting Fair Value in accordance with the Regulations.

Whilst the amendments initially allowed for a phasing in of fair value in relation to fixed assets over three years, as at 30 June 2015 all non-current assets were carried at Fair Value in accordance with the requirements.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

Thereafter, each asset class must be revalued in accordance with the regulatory framework established and the Shire revalues its asset classes in accordance with this mandatory timetable.

Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the financial report as necessary.

Land Under Control

In accordance with Local Government (Financial Management) Regulation 16(a), the Council was required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of state or regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with the other policies detailed in this Note.

Whilst they were initially recorded at cost (being fair value at the date of acquisition (deemed cost) as per AASB 116) they were revalued along with other items of Land and Buildings at 30 June 2017 and now form part of Land and Buildings to be subject to regular revaluation as detailed above.

Initial Recognition and Measurement between Mandatory Revaluation Dates

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework detailed above.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework detailed above, are carried at cost less accumulated depreciation as management believes this approximates fair value. They will be subject to subsequent revaluation of the next anniversary date in accordance with the mandatory measurement framework detailed above.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

Revaluation

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

Land Under Roads

In Western Australia, all land under roads is Crown land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

Depreciation of Non-Current Assets (Continued)

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation periods are:

Buildings	50 years
Furniture and Equipment	4 to 10 years
Plant and Equipment	5 to 15 years
<u>Sealed Roads and Streets</u>	
Formation	not depreciated
Pavement	50 years
Seal	
- bituminous seals	25 years
- asphalt surfaces	25 years
Car Parks (Sealed)	40 years
<u>Gravel Roads</u>	
Formation	not depreciated
Pavement	50 years
Gravel sheet	12 years
<u>Bridges & Culverts</u>	
- timber	50 years
- concrete	100 years
<u>Footpaths</u>	
- insitu concrete and slabs	40 years
Concrete	100 years
- asphalt, bitumen surfaces	20 years
Sewerage piping	80 years
Water supply piping	85 years
Parks & Reserves / other infrastructure	10-50 years
Main Drains & Water Retarding Basins	85 years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

Capitalisation Threshold

Expenditure on items of equipment under \$5,000 is not required to be capitalised. Rather, it is recorded on an asset inventory listing.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Fair Value of Assets and Liabilities

When performing a revaluation, the Council uses a mix of both independent and management valuations using the following as a guide:

Fair Value is the price that Council would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset (i.e. the market with the greatest volume and level of activity for the asset or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (ie the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

Fair Value Hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Council selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Council are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Fair Value of Assets and Liabilities (Continued)

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of an asset at its current service capacity.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Council gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability and considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

As detailed above, the mandatory measurement framework imposed by the Local Government (Financial Management) Regulations requires, as a minimum, all assets carried at a revalued amount to be revalued at least every 3 years.

(l) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method, or cost.

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments and any reduction for impairment; and
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(I) Financial Instruments (Continued)

(i) Financial assets at fair value through profit and loss

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short term profit taking. Assets in this category are classified as current assets. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Council's management has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in current assets where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets are included in current assets, where they are expected to be sold within 12 months after the end of the reporting period. All other available for sale financial assets are classified as non-current.

(v) Financial liabilities

Non-derivative financial liabilities (excl. financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in the profit or loss.

Impairment

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which has an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(l) Financial Instruments (Continued)

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

Derecognition

Financial assets are derecognised where the contractual rights for receipt of cash flows expire or the asset is transferred to another party, whereby the Council no longer has any significant continual involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(m) Impairment of Assets

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (e.g. AASB 116) whereby any impairment loss of a revaluation decrease in accordance with that other standard.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

At the time of adopting this budget, it is not possible to estimate the amount of impairment losses (if any) as at 30 June 2019.

In any event, an impairment loss is a non-cash transaction and consequently, has no impact on this budget document.

(n) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(o) Employee Benefits

Short-Term Employee Benefits

Provision is made for the Council's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Council's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Council's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Other Long-Term Employee Benefits

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations or service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Council's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Council does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

(p) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

(q) Provisions

Provisions are recognised when the Council has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(r) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

(s) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the Council's intentions to release for sale.

(t) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current budget year.

(u) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this budget document relate to the original budget estimate for the relevant item of disclosure.

(b) Statement of Objectives

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Shire's Community Vision, and for each of its broad activities/programs.

COMMUNITY VISION

Shire of Northam is a vibrant growing community, that is safe, caring and inclusive. We are recognised as a community that values our heritage, preserves our environment and promotes our commerce.

GOVERNANCE

Objective:

To provide a decision making process for the efficient allocation of scarce resources.

Activities:

Includes the activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

GENERAL PURPOSE FUNDING

Objective:

To collect revenue to allow for the provision of services.

Activities:

Rates, general purpose government grants and interest revenue.

LAW, ORDER, PUBLIC SAFETY

Objective:

To provide services to help ensure a safer and environmentally conscious community.

Activities:

Supervision and enforcement of various local laws, fire prevention emergency services and animal control.

SHIRE OF NORTHAM

NOTES TO AND FORMING PART OF THE BUDGET

FOR THE YEAR ENDED 30TH JUNE 2019

2. REVENUES AND EXPENSES (Continued)

(b) Statement of Objectives (Continued)

HEALTH

Objective:

To provide an operational framework for environmental and community health.

Activities:

Inspection of food outlets and their control, pest control, immunisation services and health inspections.

EDUCATION AND WELFARE

Objective:

To provide services to disadvantaged persons, the elderly, children and youth.

Activities:

Assistance with playgroup centres, senior citizen hall and respite care centre. Provision of home and community care programs and youth services.

HOUSING

Objective:

To provide and maintain elderly residents housing.

Activities:

Provision and maintenance of rental housing, including elderly residents housing.

COMMUNITY AMENITIES

Objective:

To provide services required by the community.

Activities:

Rubbish collection services, operation of refuse disposal sites, litter control, construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes, cemetery and public conveniences.

RECREATION AND CULTURE

Objective:

To establish and effectively manage infrastructure and resource which will help the social well being of the community.

Activities:

Maintenance of public halls, civic centres, aquatic centre, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of libraries and other cultural facilities.

TRANSPORT

Objective:

To provide safe, effective and efficient transport services to the community.

Activities:

Construction and maintenance of roads, streets, bridges, drainage works, footpaths, depots, cycleways, parking facilities and traffic control. Cleaning of streets and maintenance of street trees, street lighting etc. Licensing transactions under contract with the Government of WA.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

2. REVENUES AND EXPENSES (Continued)

(b) Statement of Objectives (Continued)

ECONOMIC SERVICES

Objective:

To help promote the shire and its economic wellbeing.

Activities:

The regulation and provision of tourism, area promotion, building control. Provision of rural services including weed control and vermin control.

OTHER PROPERTY AND SERVICES

Objective:

To monitor and control council's overheads operating accounts.

Activities:

Private works operation, plant repair and operation costs and engineering operation costs.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2019

8. RATING INFORMATION - 2018/19 FINANCIAL YEAR (Continued)

All land except exempt land in the Shire of Northam is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire.

The general rates detailed above for the 2018/19 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.

OBJECTIVES AND REASONS FOR DIFFERENTIAL RATING

The purpose of the levying of rates is to meet Council's budget requirements in each financial year in order to deliver services and community infrastructure. Property valuations provided by the Valuer General are used as the basis for the calculation of rates each year. Section 6.33 of the Local Government Act 1995 provides the ability to differentially rate properties based on zoning and/or land use as determined by the Shire of Northam. The application of differential rating maintains equity in the rating of properties across the Shire, enabling the Council to provide facilities, infrastructure and services to the entire community and visitors.

Residential GRV

Consists of properties located within the Shire of Northam, with a predominant residential use. The rate in the dollar for Residential GRV is 9.7975 and is considered by Council to be the base rate by which all other GRV rated properties are assessed. The properties were assessed by the Valuer General during 2015/16 and the GRV came into effect on 1 July 2016. The rate reflects an adequate contribution to the rate burden on the Shire to deliver services, carry out maintenance of public facilities and infrastructure and to meet the objectives as set out in the Strategic Community Plan and other statutory requirements.

Commercial, Industrial and Community GRV

Consists of all properties Commercial, Industrial and Community, the rate for this category is .9401 higher than the residential rate, the additional rate is used to fund marketing and promoting via the Northam Chamber of Commerce.

UV Agriculture Local

The rate in the dollar for Agriculture Local is .6072 and is Council's general rate. This is the general rate and sets this year's bases for rates raised within the UV area. This category is typically used for development that is not available in the Agricultural region.

UV Agricultural Regional

The rate in the dollar for Agricultural Regional is .0973 cents in the dollar less than Council's general rate. Property use within this area is broad acre farming and is not subject to the sub-division potential of the Agriculture Local land group use.

UV Small Local

The rate in the dollar for UV Small Holdings is .1486 cents in the dollar more than Council's general rate. Property usage within this category is zoned to accommodate the rural lifestyle. In general they are fully serviced by power, water and bitumen roads and generally located in close proximity to townsites.

Minimum Payments

A general minimum rate of \$923 applies to all assessments within the Shire. Council believes that in the view of the level of service and facilities available to all ratepayers the minimum rates are the minimum contributions which should be made by owners

**12. DISCOUNTS, INCENTIVES, CONCESSIONS, & WRITE-OFFS
- 2017/18 FINANCIAL YEAR**

Discount on Rates

Council is not offering a discount on rates payments in 2018/19.

Concessions

The Shire of Northam has not included an allowance for rates concessions due to valuation appeals which may be upheld by the Valuer General during 2018/19.

Write Offs

The Shire of Northam has included a provision of \$1,000 for the write off small sundry debtor balances in 2018/19.

SHIRE OF NORTHAM

NOTES TO AND FORMING PART OF THE BUDGET

FOR THE YEAR ENDED 30TH JUNE 2019

13. INTEREST CHARGES AND INSTALMENTS - 2018/19 FINANCIAL YEAR

	Interest Rate %	Admin. Charge \$	2018/19 Budget \$	2018/19 Actual \$
Interest on Unpaid Rates	11.00%		140,000	147,254
Interest on Instalments Plan	5.50%		32,500	32,572
Charges on Instalment Plan		10	38,000	37,630
			210,500	217,456

A penalty interest rate of 11% will be charged on all rate payments, where the ratepayer has not selected the instalment option and payment has not been received within 35 days of the rate notice being issued or where an instalment remains unpaid, if the instalment method has been chosen. It is estimated this will generate revenue of \$120,000. Three separate options will be available to ratepayers for payment of their rates.

Option 1 (Full Payment)

To pay the total amount of rates and charges including arrears on the rate notice in full by the due date Wednesday 19 September 2018, which is 35 days after the date of service. Failure to pay such costs will attract penalty charges.

Option 2 (2 Instalments)

To pay by two (2) instalments. Details of these dates and amounts are included on the rate notice. First instalment to be received within 35 days after the date of service appearing on the rate notice, including all arrears. The second instalment to be made at a two monthly interval thereafter. Failure to pay such costs by the due dates will attract penalty charges. This option can only be selected where the first instalment including all arrears (if any) are paid by the due date.

Dates are:

1. Wednesday 19 September 2018
2. Monday 19 November 2018

Option 3 (4 Instalments)

To pay by four (4) instalments in accordance with section 6.50 (3). Details of these dates and amounts are included on the rate notice. First instalment to be received within 35 days after the date of service appearing on the rate notice, including all arrears. The second, third and fourth instalments to be made at two monthly intervals thereafter. Failure to pay such costs by the due dates will attract penalty charges. This option can only be selected where the first instalment including all arrears (if any) are paid by the due date.

Dates are:

1. Wednesday 19 September 2018
2. Monday 19 November 2018
3. Monday 21 January 2019
4. Thursday 21 March 2019

The cost of the instalment plans will comprise of simple interest of 5.5% pa calculated from the date the first instalment is due, together with an administration fee of \$10.00 for each instalment notice (ie \$30 for option 3).
