A “portable advertising sign” means a sign that:

- (a) is not fixed to a building, wall or fence;
- (b) only advertises a product or service available on the land adjacent to which it is erected;
- (c) is a sandwich board sign consisting of two sign boards attached to each other at the top by hinges or other means.

All “portable advertising signs” are required to comply with the following:

- (a) A business may erect and maintain one portable sign only on a street or way provided that sign:
  - does not project more than 600mm into the (footpath) adjacent to the business to which it is related;
  - does not exceed a height of 900mm measured from the ground;
  - does not obstruct pedestrians;
  - is displayed only during normal business hours of the business to which the sign relates; and
  - does not have any mechanical or wind driven rotating component part.

- (b) All portable signs displayed on any Shire footpath or road reserve shall be included in the businesses' public liability insurance policy, with a minimum cover of \$5 million. The business proprietor shall submit a copy of the Certificate of Currency from the Insurer to the Shire to clearly set out where the policy:
- extends the public liability cover for the business over the areas where the sign is displayed;
  - provides for minimum cover of \$5 million; and
  - protects the Shire against claims resulting from the display of the sign or merchandise. Ideally the Shire should be named under the policy as a Joint Named Insurer (e.g. "ABC Sales and the Shire of Northam"), but at the very least the policy should note the Shire's interest.
